

PROJECT PHASE 1

DIGITAL IMAGE PROCESSING (DIP) - CSE 478

DEADLINE: 5th OCTOBER (WEDNESDAY), 11:55 PM

Upload Instructions:

- Upload a single presentation in .pdf format clearly mentioning all the details like introduction, problem statement, proposed approach, related papers and other details.
- Only one team member from each team is required to upload the pdf.
- Mention the same project in the presentation which you filled in the google doc.
- The problem statement and proposed approach must not be trivial and/or requiring very little effort. Such a case can lead to rejection of your project idea.
